

Your Rental Shelf:

By default, your Rental Shelf will send out selections based on your priority, then on availability. If your top selection isn't available, we will move down your list to the next available selection. If nothing is available, we will send you an email to let you know.

We generally recommend you have a minimum of 15-20 unique titles on your rental shelf at all times.

Once you have created your rental shelf, you can view it by clicking **My Books** when you are logged in to your account.

Adding Titles To Your Rental Shelf:

Before you can add books to your Rental Shelf, you must be logged in. Click **Log In** in the top right corner of the website, and enter in your email address and password when prompted.

Now you will need to look for books. Click on the **Browse Books** tab near the top center of the page. This will bring up our general search page.

There are many different ways to search for what you're looking for on the website. You may want to browse the different titles under a specific genre section.

The screenshot shows the 'simply audiobooks' website interface. At the top, there is a navigation bar with links for 'Help', 'Gifts', 'Log In', and 'Sign Up!'. Below this is a search bar with the text 'Find Books' and a magnifying glass icon. The main content area is divided into two columns. The left column, titled 'Search Results', contains a search form with fields for 'Author', 'Narrator', 'Title', 'ISBN', 'Keywords', and 'Genre'. There are also checkboxes for 'Rentals', 'DL Club', and 'Purchase', and radio buttons for 'All', 'Abridged', and 'Unabridged'. A 'Sort Results By' dropdown menu is set to 'Most Rented'. Below the search form are 'Search' and 'Clear' buttons. The right column, titled 'Browse By...', has a dropdown menu for 'Authors' and a dropdown menu for 'Genre' which is highlighted with a red oval. The 'Genre' dropdown menu is open, showing a list of genres such as 'Biographies', 'Business', 'Children's', 'Comedy', 'Drama', 'Erotica', 'Exclusive Interviews', 'Fiction', 'Foreign Language Titles', 'Health & Fitness', 'Health, Body & Mind', 'History', 'Horror', 'Independent', 'Language', 'Lectures', 'Literature', 'Marriage & Family', 'Mystery, Thriller', 'Non-Fiction', 'Philosophy', 'Politics', 'Relationships', 'Religion & Spirituality', 'Romance', 'Science & Technology', 'Science Fiction & Fantasy', 'Spanish', 'Sports', 'Suspense', 'Thriller', 'Travel', and 'TV & Radio'. Below the search results, there is a pagination bar with page numbers 1 through 8, and a 'Most Rented' dropdown menu. Below the pagination bar is a row of letters from A to Z. The first two search results are 'Honeymoon' by James Patterson, et al. and 'Harry Potter and the Half-Blood Prince (Bo...)' by J.K. Rowling, both narrated by Hope Davis and Jim Dale respectively. Each result shows a star rating and a 'Rent From \$15' button.

You can also perform an advanced search if there is a specific title, author, or keyword you are looking for.

How To Use the Set Dependency Feature on your Rental Shelf:

If you would like to receive your titles in a particular order (i.e. books in a series), you can use the Set Dependency feature on your Rental Shelf. To use this feature, click the 'lock' icon beside the 2nd title in the series - this will bring up the Set Dependency box.

| # | title | edition | actions |
|---|---|------------|---------|
| 1 | Benjamin Franklin: An American Life | Abridged | |
| 2 | 3rd Degree (Women's Murder Club) | Unabridged | |
| 3 | 4th Of July (Women's Murder Club) | Unabridged | |
| 4 | King of Torts | Abridged | |

In the Set Dependency box, select the 1st title in the series - the 2nd title will now be sent only after the 1st title has been finished.

With our example here, **4th of July** will not be sent out before **3rd Degree**. Repeat for any remaining books in the series. Simply choose the book ahead of the one you want to lock it to.
